Title : Issue regarding the closure of its units by BBUNL and simultaneous recommendation for recruitment of Executives in the Units.

SHRI SUNIL KHAN (DURGAPUR): Sir, the BBUNL is the holding company of M/s BSCL, Burnpur and M/s Braithwaite. Now, on the one hand, the closure of M/s BSCL, Burnpur has been recommended, but on the other hand, twenty executives, including supervisors are being recruited. BBUNL is taking an undue advantage. The holding company is also collecting some amount of money from the subsidiary companies to run other companies. I would urge upon the Government to look into this matter. This is a strange situation where on the one hand twenty executives, including supervisors are being recruited, on the other, this unit is being recommended for closure. I do not know as to what is happening in this country. So, I condemn this recommendation and the BBUNL Burnpur unit should be revived.

Sir, secondly, I would like to make a submission कि पूरे हाउस में यह कंसर्न है कि दंगा फैलाने वाली …(व्यवधान)

MR. SPEAKER: I am not allowing this. This will not be recorded.
